Rear loco between North Weald and Epping Forest only

Operates top and tail throughout

Where possible, only the leading engine will provide motive power. 205 205 will be powered by 08683 throughout the weekend.

Driver for a Fiver operates on Saturday and Sunday from platform 3 at North Weald at 1002 and then every 50 minutes until 1642, using 03170. Two drivers share each trip, which runs to the section signal in each direction and lasts approximately 25 minutes. See crew for details.

Cab rides are also available on most trains for £5 per person from North Weald to Ongar, Ongar to North Weald, or North Weald to Epping Forest and back. See crew for details.
